**THE TEA TROLLEY WAS INSPIRED BY BRITISH TEA CULTURE, WHICH AINO AND ALVAR AALTO HAD BECOME ACQUAINTED WITH THROUGH THEIR MANY TRAVELS, COMBINED WITH THEIR ADMIRATION OF JAPANESE WOODWORK AND ARCHITECTURE.**

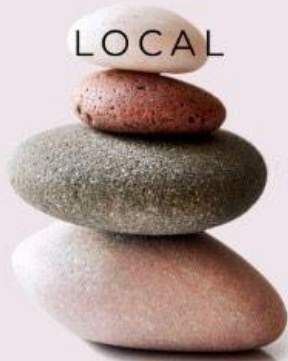

Over the years, numerous variations of the Tea Trolley have been produced. Dutch designer and colour expert Hella Jongerius delved into Artek's archives to offer her own take on one of Alvar Aalto's most cherished products. Her subtle interventions resulted in a light and a dark version of the trolley, which plays with the shifting light on the product's upper and lower trays.
